**F**rom the Plaza Hotel to the Hamptons, Jazz Du Jour has been providing sophisticated jazz for cocktail and dinner parties,

corporate receptions, weddings and other events

for over two decades. The band repertoire is drawn from the great

American songbook, including music by the twentieth century's greatest composers, such as George and Ira Gershwin, Cole Porter, Duke Ellington and Jerome Kern. These seasoned musicians create a warm and wonderful ambiance that will enhance any gathering, providing either background or foreground music for dining or dancing.

The basic ensemble includes acoustic bass, trumpet and guitar. The latter can be replaced with vibraphone or acoustic piano if desired. If a larger group is called for, drums, saxophone and a vocalist can be added.

Jazz Du Jour's stylings are mellow and smart, up-to-date and delightful, bringing that cosmopolitan touch to intimate gatherings or larger business meetings.
